Hate is my mind!
Hate is my feelings .. FOR YOU!
Hate is my soul!
I HATE YOU!!

There's a very strong feeling
It crawls within
It makes my blood boil,
It burns the skin
And when you think its all over,
its just building up
And you scream and yell that you dont give a fuck!
And you rage and you scream as you thrash about,
and you think and you hope that someone can help you
out
And the feeling is hate!!
Theres nothing you can do!
The feeling is hate!
I Hate You!!

Hate is my mind!
Hate is my feeling for you!
Hate is my soul!
I fuckin hate you!!

You failed to understand!
(just what im going through)
You failed to help!
(why didnt you?)
MY anger builds up!
My face is turning red!
The hate rises in me!
Then the feeling goes dead ...

Take a deep breath
(calm your ass down)
get color in your face again
(its never worth it to get so mad)
Count back from 10...
(dont do it again)
TOO LATE!

HATE IS MY MIND!
HATE IS MY FEELING FOR YO!
HATE IS MY SOUL!
i hate you.
