Light from a window, cold dark and black
Sound from a dream
I was hypnotized, I was paralyzed
I could hardly speak

And baby, baby, you never realized that
I could have stood there lost in your eyes
Stood there waiting, and not realized
Love isn't easy, it isn't always kind
I could have stood there, lost in your eyes

Guess I understand it, guess I sort of have to
Guess I kind of see
(Guess I kind of see)
Just because it could have been, doesn't mean it had to
Ever mean a thing
(Ever mean a thing)

And baby
(Ooh)
Baby
(Ooh)
I could say it all the time that
I could have stood there lost in your eyes
Stood there waiting, and not realized
Love isn't easy, it isn't always kind
I could have stood there, lost in your eyes

And you know sometimes I wonder, yes I wonder
I really really do, ya, yes I do
Just because it helps me
Though sometimes it's scares me
(Scares me ooh)
Guess you wouldn't know, no you wouldn't know

Guess I understand it, guess I sort of have to
Guess I kind of see
Just because it could have been
Doesn't mean it had to, ever mean a thing

Hum and baby

(Ooh)
Oh baby
(Ooh)
You never realized that
I could have stood there lost in your eyes
Stood there waiting, and not realized
Love isn't easy, it isn't always kind
But I could have stood there, lost in your eyes

You know, I could have stood there
Yea, yea, yea, yea
(Lost in your eyes)
(Lost in your eyes)
(Lost in your eyes)
(Lost in your eyes)
