Love You Too Much (Jeff Healy)
I'm not alone, you're sittin right there.
How come I get the feeling,
you could vanish into the air?
I love you more than anybody else baby.
Can't you tell I'm an easy touch.
Oh, Baby Baby, I think I love you too much.
If I picked you up, you'd slip right away.
And if I locked you up,
you'd find a way to make me stay.
You're gonna hurt me more than anybody baby,
Cause you know I'm an easy touch.

Oh, Baby Baby, I think I love you too much.

Bridge:

I guess I'm gonna give you what you want.
Cause I so in to you.

You never give an inch to me baby,
Though I've been giving you a mile or two.

Lead

Repeat 1st Verse.

Chorus 3x, then Lead.
