I'd be lying if I didn't
Tell you how the story went
You see he wasn't like the other
Guys that I had ever met

That's why I'm a holding tight every night
I go outta my mind
Thinking 'bout where you could be
No you're not with me

Where you go I need to be
Chasing you constantly
Instead I believe
That's why

You don't have no lover
You love no one else but me
Oh, no
Yeah, you will remember
You see no one else but me

All I ever wanted was someone to show me
What it could be like and would feel like to be
As soon as I discovered there is nothing better
My baby and me and that's why

You don't have no lover
You love no one else but me
Yeah, you will remember
You see no one else but me

Ho don't have no lover
He loves no one else but me
Girl you must remember
He sees no one else but me
Yeah, yeah

That's why I'm a holding tight every night
I go outta my mind
Thinking 'bout where you could be
Oh yeah, oh yeah

Where you go I need to be
Chasing you constantly
Instead I believe
That's why

You don't have no lover
You love no one else but me
Yeah, you will remember
You see no one else but me

You don't have no lover
You don't love no other
No lover, no lover, no lover, remember
No lover, no lover, no lover, remember
