There are times in your life
They take you by surprise
You and I ? I know we can talk about it.
You're important to me
Like the air that I breathe
You and me ? I know we can talk about it.
When my conscience comes undone
I unfold and morning comes
I know you're my friend
Hold on and transcend
I know anything is possible.
I don't ask for much
Just show who you are
And I'll know
Anything is possible.
There's a shadow of doubt
Turning you inside out
What you reveal can make you so strong
Tell me where is the proof?
Does it lie in the truth?
I believe we can be anyone.
When my conscience comes undone
I awake and morning comes
I know you're my friend
Hold on and transcend
I know anything is possible.
I don't ask for much
Just show who you are
And I'll know
Anything is possible
I wanna know all about you.
I wanna know all about you.
I wanna feel you
I wanna know all about you.
I wanna know all about you.
I wanna feel you
I know you're my friend
Hold on and transcend
I know anything is possible.
I don't ask for much
Just show who you are

And I'll know
Anything is possible
