(I Can't stop thinking about it)  
Can't Stop, Can't Stop Now  
Can't Stop, Can't Stop Now

That feeling that I can't define  
And my heart is beating overtime  
Let the rhythm take control  
Of your body, mind and soul  
If you got it  
Come and cross the line

We could cut to the rush  
(Tell me what's on your mind)  
So now Baby hush, baby hush  
(Got to tell you this)

I can't stop thinking about it  
(Can't stop, Can't stop, Now)  
So what you gonna do about it?  
You gotta let me know  
I can't stop thinking about it  
(Can't stop, Can't stop, Now)  
I just can't wait and see  
What you gonna do to me

I can see your eyes all over me  
Tell me what is your philosophy  
I can read between the lines  
And I like the things I find  
Something sweet beneath this chemistry

We could cut to the rush  
(I know what's on your mind)  
So now Baby hush, baby hush  
(Got to tell you this)

I can't stop thinking about it  
(Can't stop, Can't stop, Now)  
So what you gonna do about it?  
You gotta let me know  
I can't stop thinking about it  
(Can't stop, Can't stop, Now)

I just can't wait and see  
What you gonna do to me

I just can't wait and see  
What you gonna do to me

(I can't stop thinking about it  
I can't stop thinking about it  
I can't stop thinking about it  
I can't stop thinking about it)

We could cut to the rush  
(I know what's on your mind)  
So now Baby hush, baby hush  
(I Got to tell you that)

I can't stop thinking about it  
I can't stop thinking about it  
I can't stop thinking about it  
(Can't stop, Can't stop, Now)  
So what you gonna do about it?  
You gotta let me know  
I can't stop thinking about it  
(Can't stop, Can't stop, Now)  
I just can't wait and see  
What you gonna do to me

I can't stop thinking about it  
(Can't stop, Can't stop, Now)  
So what you gonna do about it?  
You gotta let me know (Let Me Know)  
I can't stop thinking about it  
(Whoa)  
I just can't wait and see  
What you gonna do to me

I can't stop thinking about it  
(Can't stop, Can't stop, Now)  
So what you gonna do about it?  
You gotta let me know  
I can't stop thinking about it
