Once again I lie awake
At night In Storyland
I'm slippin' Away
Understand
Just to escape I run to hope
Still light years away

I'm sinking in the sand
I'm gonna take your hand
You gotta Understand

I'm Carried Away
Your Eternal Flame
Don't Blow It Out
You Gotta Leave It On
I'm Finding My Faith
Goes On And On
I'm Really Getting Carried Away

Never Fall
Into the world of someone calling out
A mirror Inside
Is tellin me you just a breath away from doubt
And you wake in the night

I'm sinking in the sand
I'm gonna take your hand
You gotta Understand

I'm Carried Away

Your Eternal Flame
Don't Blow It Out
You Gotta Leave It On
I'm Finding My Faith
Goes On And On
I'm Really Getting Carried Away

Oh, 'Cos I can go on this time
In my Way
'Cos I believe all my prayers

I'm Carried Away (Carried Away)
Your Eternal Flame
Don't Blow It Out (Don't Blow It Out)
You Gotta Leave It On (Oh)
I'm Finding My Faith
Goes On And On
I'm Really Getting Carried Away

I'm Carried Away
Your Eternal Flame
Don't Blow It Out
You Gotta Leave It On
I'm Finding My Faith
Goes On And On
I'm Really Getting Carried Away
