Hearsay
"Lovin' Is Easy"

Ooh Ooh
Ooh Ooh
When I'm alone I can not help myself
From falling deeper in love with you
Holding you close and feeling your body
Moments like this make me lose control

I can't help the way I feel right now
And I don't want to let my baby down

I want you to know just how I feel
That the love inside is truly real
'Cause baby, lovin' is easy (Ooh Ooh)
You make me feel so good inside
You're the only one that just feels right
'Cause baby, lovin' is easy (Ooh Ooh)
(With you, oh)

Touching your skin
I want to have you to myself boy, I only want you (want
you too yeah)
Everything you say
It means so much to me
You are my life
The love and my one

I can't help (can't help boy)
The way I feel right now (oh yeah)
And I don't want (no I don't want)
To let my baby down (down down down down)

I want you to know just how I feel
That the love inside is truly real
'Cause baby, lovin' is easy (so easy)
You make me feel so good inside (good inside)
You're the only one that just feels right (does it right
boy)

'Cause baby, lovin' is easy (Ooh Ooh)

Anything you're wanting boy
(I'll give it you)

Anything you need
(It's all yours)
Anything I can do boy
(You know it's done)
Any thought, Anytime, Anything, Anywhere, Anyplace
'Cause baby, loving you is so easy

I want you to know just how I feel
That the love inside is truly real
'Cause baby, lovin' is easy (so easy)
You make me feel so good inside (good inside)
You're the only one that just feels right (it feels right)
'Cause baby (baby), lovin' is easy (with you)

I want you to know just how I feel
That the love inside is truly real
'Cause baby, lovin' is easy (lovin' you)
You make me feel so good inside
You're the only one that just feels right
'Cause baby, lovin' is easy (lovin' you is so easy)

Lovin you, yeah
Lovin' Lovin'
Lovin' you is so easy
Oh oh (Ooh Ooh)
