Like a supersonic boom coming at ya  
One thing on my mind  
Everybody's out to get something  
Ain't no compromise

You know that I am gonna wait  
I'm gonna take my time  
(I'm gonna take my time)  
There's no need to anticipate  
I'm gonna make you mine  
(Make you mine)

A total transformation  
Eyes move into dilation  
No need for a complication  
So take a look inside

Give it Up  
Step On Up  
We have got  
The right stuff  
Let's make it happen  
(Shake your rhythm Feel The Notion)  
Shake your rhythm Feel The Motion  
Give it Up  
Step On Out  
I Know Where  
You Know How  
Let's Make It Happen  
(Shake your rhythm Feel The Notion)  
Shake your rhythm Feel The Motion

Moving through the crowd I can feel you  
Need you by my side  
Feel your body  
Move through night into morning  
Just enjoy the ride

You know that I am gonna wait  
I'm gonna take my time  
(I'm gonna take my time)  
There's No Need To Anticipate

I'm gonna make you mine  
(Make you Mine)

Give it Up  
Step On Up  
We have got  
The right stuff  
Let's make it happen

(Shake your rhythm Feel The Notion)  
Shake your rhythm Feel The Motion  
Give it Up  
Step On Out  
I Know Where  
You Know How  
Let's Make It Happen  
(Shake your rhythm Feel The Notion)  
Shake your rhythm Feel The Motion

Give it Up  
Step On Up  
We have got  
The right stuff  
Let's make it happen  
(Shake your rhythm Feel The Notion)  
Shake your rhythm Feel The Motion  
Give it Up  
Step On Out  
I Know Where  
You Know How  
Let's Make It Happen  
(Shake your rhythm Feel The Notion)  
Shake your rhythm Feel The Motion

Let's Make it Happen  
Sing it to me  
Let's make this Happen  
Give it Up  
Let's make it happen  
Give it Up  
Let's make it happen

Give it Up  
Step On Up  
We have got  
The right stuff  
Let's make it happen  
(Shake your rhythm Feel The Notion)  
Shake your rhythm Feel The Motion

You Know How  
Let's Make It Happen
