You've been saying I'm driving you crazy
And I haven't been around for you lately
But I had a few things on my mind
When I'm with you I am filled with emotion
Can't you see that I'm giving you devotion
And love like this is hard to find
I know I've been walking around in a daze
Baby, Baby

You gotta believe me when I say
ooooooooo
Wherever you go
(I gonna be there)
Whatever you do
(You know I gonna be there)
It's pure and simple
yeah yeah yeah
I'll be there for you
(pure and simple gonna be there)
Whatever it takes (i'm gonna be there)
I swear it's true
(you know I'm gonna be there)
It's pure and simple
yeah yeah yeah
I'll be there for you
(pure and simple gonna be there)

I've been here through the stormiest weather
Always trying to make things a bit better
And I know I gotta try and get through to you

You can love me in a way like no other
But the situations taking you under
So you need to tell me now what you're gonna do
yeah yeah yeah

I know I've been walking around in a daze
Baby, Baby
You gotta believe me when I say
ooooooooo

Wherever you go
(I gonna be there)

Whatever you do
(You know I gonna be there)
It's pure and simple
yeah yeah yeah
I'll be there for you
(pure and simple gonna be there)
Whatever it takes
I swear it's true
(you know I'm gonna be there)
It's pure and simple
yeah yeah yeah
I'll be there for you
(pure and simple gonna be there)

I'll always be there for you baby
Y'know that I'll always be around
(I'm gonna be there)
Oh yeah
(You know I'm always gonna be there)
I'll always be there for you honey
You know I'll never let you down
ooooooooo
'Cos you're the only one for me
yeah yeah yeah

baby baby
baby baby

Wherever you go
(I'm gonna be there)
Whatever you do
(You know I gonna be there)
It's pure and simple
yeah yeah yeah
I'll be there for you
(pure and simple gonna be there)
Whatever it takes
(I'm gonna be there)
I swear it's true
(you know I'm gonna be there)
It's pure and simple
I'll be there for you
(pure and simple gonna be there)

Wherever you go
(I'm gonna be there)
Whatever you do
(You know I gonna be there)
It's pure and simple
I'll be there for you
(pure and simple gonna be there)

Whatever it takes
(I'm gonna be there)
I swear it's true
(you know I'm gonna be there)
It's pure and simple
I'll be there for you
(pure and simple gonna be there)
