You're all I need to get by, aah (you're all I need)  
(You're all) like sweet mornin' dew  
(I need) I took one look at you  
(To get by) and it was plain to see  
(Aah) you were my destiny

(You're all) with arms open wide  
(I need) I threw away my pride  
(To get by) I'd sacrifice for you  
(Aah) dedicate my life to you

Ooh  
I'll be gone, when you leave  
(C'mon baby)  
Always there in times of need

And when I lose my will  
You'll be there to push me up the hill  
There's no, no looking back for us  
We've got a love and sure enough that's enough  
You're all, you're all I need to get by

(Chorus)  
You're all I need to get by, ahh  
(You're all) like an eagle protects it's nest  
(I need) for you I'll do my best  
(To get by) stand by you like a tree  
(Aah) dare anybody to try and move me

(You're all) darlin in you I've found  
(I need) strength when I was torn down  
(To get by) don't know what's in store  
Aah, together we can open any door

Ooh I only want  
What's good for you (c'mon darlin')  
And inspire you a little higher  
Know you can make a man  
Out of the soul that didn't have a goal

Cos we, we got the right foundation  
And with love and determination

You're all, you're all I need  
Won't stop going, do a little more  
You're all, all the joy under the sun  
You're number one

You're all, you're all I need  
You're all I need  
You're all I need to get by

Oh yeah  
Oh baby c'mon, c'mon yeah  
C'mon baby  
C'mon honey honey honey honey honey  
Let me hear it c'mon c'mon c'mon c'mon c'mon sing it  
to me  
Honey honey honey honey honey
