You're wondering if  
I care about you  
Is there some cause  
That I should doubt you

Oh, I can see, boy  
That you don't know me very well  
Uh uh, you're so unsure

And you run here and there  
To ask my feelings  
Friends only guess  
They can't say really, oh

Don't ask my neighbors  
Log on to kill this message.  
Don't ask the friends I hang around  
(Never ask the friends I hang around)  
Uh uh, don't be afraid  
To come to me (come to me)  
Don't ask my neighbors

Come to me (come to me)  
Don't be afraid of  
What you'll see (what you'll see)  
You'll find I love you (ooh, I love you)  
Come to me (come to me)  
Don't be afraid

You ask all my friends  
If I'm the same, boy  
You don't understand  
You think I'm changing, ohh

Don't ask my neighbors

(Don't ask my neighbor)  
Don't ask the friends I hang around  
(Never ask the friends I hang around)  
Uh uh (no) don't be afraid  
(Never) to come to me (come on)

Don't ask my neighbors (ooh, ooh)  
Come to me (come on, come on)  
Don't be afraid of what you'll see  
(I'll make you feel at ease, baby)  
You'll find I love you (ooh, hoo)  
Come to me (come on)  
Don't be afraid

I, I will, ooh...

Don't ask my neighbors  
Come to me (come on)  
Don't be afraid of what you'll see  
You'll find I love you  
Come to me (baby)  
Don't be afraid

Hurry, come to me  
Come to me, come to me

Don't ask my neighbors  
(I'll be real) come to me  
Don't be afraid of what you'll see  
You'll find I love you  
Come to me, don't be afraid
