Don't let foolish pride get in the way of a good love  
Like yours and mine

How could you let me walk outside your door  
When there's so much you wanted to say?  
How could you just pretend you could ignore  
All the feelings that true love has made, ooh baby?

Ooh baby, ah baby, I was right there by your side  
Through good and bad, ooh baby  
Ooh baby, ah baby, let me know the reason why  
You're treating me so bad

Don't let foolish pride get in the way of a good love  
Like yours and mine  
Don't let foolish pride make you say things  
That you don't mean

Ooh my baby, my sweet baby  
I'm the one you held so dear  
Now that the weather here is changing  
You don't even want me near

You know in the beginning, everything was rosy  
Everything was a okay  
Now you're telling me to go  
I guess I'll be on my way

Ooh baby, ah baby, I was right there by your side  
Through good and bad, ooh baby  
Ooh baby, ah baby, let me know the reason why  
You're treating me so bad

Don't let foolish pride get in the way of a good love  
Like yours and mine  
Don't let foolish pride make you say things  
That you don't mean

Don't let foolish pride get in the way of a good love  
Like yours and mine  
Don't let foolish pride make you say things  
That you don't mean

I gotta know, I wanna know, foolish pride

Ooh baby, ah baby, I was right there by your side  
Through good and bad, ooh yeah  
Ooh baby, ah baby, let me know the reason why  
You're treating me so bad

Don't let foolish pride get in the way of a good love  
Like yours and mine  
Don't let foolish pride make you say things  
That you don't mean

Don't let it, don't let it, don't let it get in the way now  
Don't let it, don't let it, don't let it get in the way now  
Don't let it, don't let it, don't let it get in the way now  
Don't let it, don't let it, don't let it get in the way now

Don't let foolish pride get in the way of a good love  
Like yours and mine  
Don't let foolish pride make you say things  
That you don't mean
