Ooh yeah
Yahoo hoo

I don't wanna rain on this parade
But I'm starting to question the love that was made
I'm not looking for just an affair
Wanna love that is based on truth not just dare

You'll not hurt my pride if right now you decide
That you are not ready to settle down
But if you want my heart then it's time that you start
To act like you're mine in the light and the dark

If you love me say it
If you trust me do it
If you want me show it
If you need me prove it

If you love me say it
If you trust me do it
If you want me show it
If you need me prove it

You see now actions speak louder than words
So don't just say things that I've already heard
Don't want your body without your soul
I don't want a love who will come here and go

You'll not hurt my pride if right now you decide
That you are not ready to settle down

But if you want my heart then it's time that you start
To act like you're mine in the light and the dark

If you love me say it
If you trust me do it
If you want me show it
If you need me prove it

If you love me say it
If you trust me do it
If you want me show it

Prove it

If you love me say it

Do it

Show it

Prove it

Say it

Do it

Show it

Prove it

Oh I, oh I, I wanna touch you baby

And spread my love all around you, honey

And if you come, you gotta show, baby

True love to share

Show it

Prove it

Say it

Do it

Show it

Prove it

Say it

Do it

Show it

Prove it

Say it

Do it

Show it

Prove it

Say it

Do it

Show it

Prove it

Say it

Do it

Show it

Prove it

Say it

Do it

Show it

Prove it

Say it

Do it
Show it
Prove it
