[Speaking: Softly]

You know baby...

I've been looking for somebody

Somebody with that strong love

Somebody with that tender love

I've been looking for somebody with that good love

Can you help me?

[Chorus:]

You give good love

Give me good lovin' baby

You're on my mind

Each and every day

You're all I need

And I want to say

Baby I'm yours...

[Verse 1:]

Have you ever loved some one

With everything you have

Hoping deep inside your heart

Their tender love will last

Take my hand and I'll show you

A place to find a love so true

I found in you

[Bridge:]

Love so tender love so right

(Love the way you hold me tight)

Only you can make it right

I'll be with you all my life

(Close your eyes and hold on tight)

My love my very special love

[Chorus]

[Verse 2:]

All my life I've been looking for someone

To say it, do it, show it, prove it

You know that you're the one

You give me what I need

You give me everything

I know that you're the one
Cause heaven sent you from above
You're right for me

[Chorus]
