It was a rainy night when he came into sight  
Standing by the road  
no umbrella  
no coat  
So I pulled up along side and I offered him a ride  
He accepted with a smile so we drove for a while  
I didn't ask him his name  
this lonely boy in the rain  
Fate tell me it's right  
is this love at first sight  
Please don't make it wrong  
just stay for the night

All I wanna do is make love to you  
Say you will  
You want me too  
All I wanna do is make love to you  
I've got loving arms to hold on too

So we found this hotel  
it was a place I knew well  
We made magic that night. Oh  
he did everything right  
He brought the woman out of me  
so many times  
easily  
And in the morning when he woke all I left him was a  
note  
I told him 'I am the flower you are the seed'  
We walked in the garden we planted a tree  
Don't try to find me  
please don't you dare  
Just live in my memory  
you 'll always be there  
All I wanna do is make love to you  
One night of love was all we knew  
All I wanna do is make love to you  
I've got loving arms to hold on too

Oh  
oooh  
we made love

Love like strangers  
All night long  
We made love

Then it happened one day  
we came round the same way  
You can imagine his surprise when he saw his own eyes  
I said 'please  
please understand  
I'm in love with another man  
And what he couldn't give me  
was the one little thing you can'

All I wanna do is make love to you  
One night of love was all we knew  
All I want to do is make love to you  
Come on  
say you will  
you want me too

All I wanna do is make love to you  
One night of love was all we knew  
All I want to do is make love to you  
Say you will  
you want me to

All night long  
All night long

All night long  
All night long.
