It was a rainy night
When he came into sight
Standing by the road
no umbrella...no coat
So I pulled along side
And I offered him a ride
He accepted with a smile
So we drove for awhile
I didnt ask him his name
this lonley boy
In the rain
Fate...tell me its right
Is it love at first sight?
Please don't take it wrong
Just stay for the night

All I wanna do is make love to you
Say you will You want me too
All I wanna do is make love to you
I've got lovin' arms to hold on to

So we found this hotel
It was a place I knew well
We made magic that night
Oh he did everything right
He brought the woman in me
So many times
Easily...
And in the morning when he woke
All I left him, was a note
I told him I am the flower
You are the seed
We walked in a garden
We planted a tree
Don't try to find me
Please dont you dare
Just live in my memory
you'll always be there
All I wanna do is make love to you
One night of love
was all we knew

All I wanna do is make love to you
I got lovin' arms to hold on to
Ahhhhh
Ohhhhh we made love--Love like strangers
All night long
We made love

Then it happened one day
We came round the same way
You can imagine his surprise
When he saw his own eyes
I said--Please! please! understand
I'm in love with another man!
and what he couldn't give me
Ohhhh
was the one little thing that you can
All I wanna do is make love to you
One night of love was all we knew
All I wanna do is make love to you
Come on say you will you want me, too
All I wanna do is make love to you
One night of love is all we knew
all I wanna do is make
