It was a rainy night when he came into sight
Standing by the road, with no umbrella, no coat
So, I pulled up along side and I offered him a ride
He accepted with a smile, so, we drove for a while

I didn't ask him his name, this lonely boy in the rain
Fate tell me it's right is this love at first sight
Please don't make it wrong, just stay for the night

All I wanna do is make love to you
Say you will, you want me too
All I wanna do is make love to you
I've got loving arms to hold on to

So, we found this hotel, it was a place I knew well
We made magic that night, oh, he did everything right
He brought the woman out of me, so many times easily
And in the morning when he woke all I left him was a
note

I told him, "I am the flower, you are the seed"
We walked in the garden we planted a tree
Don't try to find me, please don't you dare
Just live in my memory, you'll always be there

All I wanna do is make love to you
One night of love was all we knew
All I wanna do is make love to you
I've got loving arms to hold on too

Oh, ooh, we made love, love like strangers
All night long we made love

Then it happened one day, we came 'round the same
way
You can imagine his surprise when he saw his own eyes
I said, "Please, please understand, I'm in love with
another man
And what he couldn't give me was the one little thing
you can"

All I wanna do is make love to you

One night of love was all we knew
All I want to do is make love to you
Come on, say you will, you want me too

All I wanna do is make love to you
One night of love was all we knew
All I want to do is make love to you
Say you will, baby, you want me to

All night long, all night long
All night long, all night long

All I wanna do is, all I wanna do
All I wanna do, all I wanna do
All I wanna do is make love to you
One night of love was all we knew, yeah
All night long, all night long
