"Almost Paradise"

I thought that dreams belonged to other men
'Cause each time I got close, they'd fall apart again
I thought my heart would beat in secrecy
I faced the nights alone, oh how could I have known?
That all my life I only needed you

Woah, almost paradise
We're knocking on heaven's door
Almost paradise
How could we ask for more?
I swear that I could see forever in your eyes,
Paradise

It seems that perfect love's so hard to find
I'd almost given up, you must have read my mind
And all these dreams I save for a rainy day
They're finally coming true, I'll share them all with you
'Cause now we hold the future in our hands

woah, almost paradise
We're knocking on heaven's door
Almost paradise

How could we ask for more?
I swear that I could see forever in your eyes,
Paradise

And in your arms salvation's not so far away
It's getting closer, closer every day

Almost paradise
We're knocking on heaven's door
Almost paradise
How could we ask for more?
I swear that I could see forever in your eyes,
Paradise
Paradise
Paradise
