(Spoken):I'd like to dedicate this song  
to Dr. Martin Luther King Jr.  
My favorite ---

On Boppy's back I can see  
Miracle --- out --- be  
As I -- by in limousine, Boppy's back is part of me  
It's all I need  
Boppy's Back x2

-Instrumental-

---up my feet and --- back  
And rest my cheek on Boppy's back  
Together we've been to hell and back  
Seen the world on Boppy's back  
Boppy's back,.
