"Break The Rock"

You chose the wrong street corner
For your master plan
Just one bad calculation
Just one slip of the hand
A little something special
A little money on the side
You tried to lose the merchandise
But that luck was running by

Too much down and dirty
Too much hanging around
Too much guilty, guilty
You gotta crash
Your hammer down

(chorus)
Break the Rock
Break the Rock
You never, never, never gonna stop
Never, never, never, never gonna
Break the Rock

You pace around the cage now
You're paying double dues, baby
But just a moment of madness
You're gonna pay
In bloody blues

Too much down and dirty
Too much hanging around
Too much guilty, guilty
You gotta crash
Your hammer down
(chorus)

Crash it, break it down
Crash it, break it down
(chorus X3)
(Crash it, break it down
Crash it, break it down)
(chorus)
