Down, down, down, down
Corduroy Road
Singer away, do they speak your name (?)
Whisper like a class (?)
Why do you walk in empty shoes
Long, lonely dressed
why do you sleep with strangeness
Dream of bitter rain
Sing your song in the mirror
Like a bird outside a cage
Yea, yea

â€¦ (?)
Freezing from from the mais
The cold is stealing your home fires
The ashes of the wild
Down the road, down you fly
Never a heart to stay
A lost guitar and feels of far ..(?)
Ever hear the bait (?)
Strangers eyes, oh oh

Down, down, down, down
Corduroy Road
Down, down, down, down
Corduroy Road
Down, down, down, down
Corduroy Road

Sing her away to they speak your name
Whisper like a class (?)
Hey why do you walk in empty shoes
And long and lonely dusk
(strangers are nice)
Oh oh
Down, down, down, down
Corduroy Road
Down, down, down, down
Corduroy Road
Down, down, down, down
Down, down, down, down

Down, down, down, down
Corduroy Road
Down, down, down, down
Corduroy Road
Down, down, down, down
Corduroy Road
