I keep my secrets locked up tight
I keep my emotions out of sight
But you've got me memorized
what's in my heart, what's behind my eyes
You hold me tight, you hold me fast
Won't let go until the storm has past
And when I finally break down
I'm so in love I ain't afraid to ask
I am not afraid

Oh, baby love me out
love me out of this world
No alibis no more regrets
You're my wayward angel
you're my saving grace
sanctify my crazy head

You been inside me in my dreams
Sexy poems cinematic scenes
Shattered lullabies unfold
Sweet suggestions I have never known
Pull down the shade, turn off the lights
oh my love we're all alone tonight
Shadow dancin in slow mo
For your eyes I will let is show
You can feel me glow

Oh baby love me out
love me out of this world
No alibis no more regrets
You're my wayward angel
you're my saving grace
Sanctify my crazy head

Maybe it's heaven or your sweet suggestion
pulling in your sway
carried away in the arms of an angel
you are my saving grace
