"Goodbye Blue Sky"

Did, did, did, did, did you see the frightened ones?
Did, did, did, did, did you hear the falling bombs?
Did, did, did, did, did you ever wonder why
We had to run for shelter
When the promise of a brave new world
Unfurled underneath the clear blue sky?

Did, did, did, did, did you frightened ones?
Did, did, did, did, did you hear the falling bombs?
The flames are all long gone
But the pain lingers on

Goodbye, blue sky
Goodbye, blue sky, goodbye
Goodbye, goodbye--Repeated 3 times
Goodbye
