The doctor said "Come back again next week, I think
that you need me."
All she did was cry
She wanted to die
"Doctor when can you see me here?"
There's a guy out there! Seems like he's everywhere!
It just ain't fair!

Heartless-Heartless! Never, never out of control
Heartless-Heartless! Ya keep on sinnin' in the name of
a-rock and roll
Heartless-Heartless! Ya think he's gonna bare his
empty soul?
He never realized, the way love dies when you crucify
it's soul

Late nite, in the penthouse room, the fire is burning.
The shadows are warm, she lay in his arms, answers
his yearning.
D'ya think she understand the lie of his plans her eyes
are filled with sand.

Heartless-Heartless! Never, never out of control
Heartless-Heartless! Ya keep on sinnin' in the name of
rock and roll
Heartless-Heartless! it's so cool to be cold
He never realized, the way love dies when you crucify
it's soul

(breakdown) oooooooo (repeat 4)

Heartless-Heartless! Never, never out of control no no
Heartless-Heartless! sinnin' in the name of a-rock and
roll
Heartless-come on he's Heartless! Ya think it's gonna
fill your empty soul?
Ya never realized, the way love dies when you crucify
it's soul
Yeah didn't you ever realize it?
Crucify me.
Yeah
