You call it bad timing
But I call it destiny
It wouldn't have happened
If it wasn't meant to be

I felt your heart like a magnet
Your eyes were touching me, touching me
Touching me, touching me, touching me

I want your world to turn
Just for me
I want your fire to burn
Just for me
Like the moon affects the tide
And the sea
I want your world to turn
Just for me

I won't share your love
No I want it all for my own
When you are in her arms
It really cuts me down to the bone

I felt your heart like a magnet
Your eyes were touching me, touching me
Touching me, touching me, touching me

I want your world to turn
Just for me
I want your fire to burn
Just for me
Like the moon affects the tide
And the sea
I want your world to turn
Just for me

I felt your heart like a magnet
Your eyes were touching me, touching me
Touching me, touching me, touching me

I want your world to turn
Just for me, yeah

I want your fire to burn
Just for me, yeah
Like the moon affects the tide
And the sea
I want your world to turn
Just for me

Just for me, yeah
Just for me
Just for me
