If the 59 is gone
That's the train that I am on
You can hear the whistle blow a million miles

I would give up all my life
Trying to get it right
I'm five million miles from my home

I got one
I got two
I got three
I got four
I got five million miles 'til I get home

I got one
I got two
I got three
I got four
I got five million miles 'til I get home

I got one
I got two
I got three
I got four
I got five million miles 'til I get home

If the 59 is gone
That's the train that I am on
You can hear the whistle blow a million miles

I would give up all my life
Trying to get it right
I'm one million miles from home

I got one
I got two
I got three
I got four
I got five million miles 'til I get home

I got one

I got two
I got three
I got four
I got five million miles 'til I get home
