"Never Stop Loving You"

One day I'll stop breathing
my heart will stop beating.
I won't see your face again.
This flesh and blood is weak
life isn't ours to keep.
Sometime it has to end.

In time even memories fade away.
With time, you will learn to forgive and forget.
The mistakes that I've made.

I've broke some promises.
Sometimes I lied to you.
But one thing will always be true.
I'll never stop loving you.

Fallen from your grace
you will never be replaced.
Lord knows how hard I tried.
But it just ain't no use
I thought I could shake you loose.
I'm still torn up inside.

In time even memories fade away.
With time, you will learn to forgive and forget.
The mistakes that I've made.

I've broke some promises.
Sometimes I lied to you.
But one thing will always be true.
I'll never stop loving you.

Ooh

I've broke some promises.
Sometimes I lied to you.
But one thing will always be true.
I'll never stop loving you.

No no no no I'll never stop loving you.

Loving you.
