I would walk home every evening  
Through the pyramids of light  
I would feed myself on silence  
Wash it down with empty nights

Then your innocent distractions  
Hit me so hard  
My emotional reaction  
Caught me off guard

It was nothing at all  
Like anything I had felt before  
It was nothing at all  
Like I thought no it's so much more  
No one else has ever made me feel this way  
When I asked you how you did it  
You just say  
It was nothing at all, at all

Now I walk home every evening  
And my feet are quick to move  
'Cause I know my destination  
Is a warm and waiting you

From our first communication  
It was clear  
Any thought of moderation  
Would soon disappear

It was nothing at all  
Like anything I had felt before  
And it was nothing at all  
Like I thought no, it's so much more  
No one else has ever made me feel this way  
When I asked you how you did it  
You just say  
Oh, it was nothing at all

Then your innocent distractions  
Hit me so hard  
My emotional reaction  
Caught me off guard

It was nothing at all  
Like anything I had felt before  
No, nothing at all  
Like I thought no, it's so much more  
No one else has ever made me feel this way  
When I asked you how you did it  
You just say  
Oh, it was nothing at all

It was nothing at all  
Like anything I had felt before  
It was nothing at all  
It was nothing at all  
It was nothing at all
