There's a lady who's sure, all that glitters is gold  
And she's buying the stairway to heaven.  
When she gets there she knows, if the stores are all  
closed  
With a word she can get what she came for  
Ooooooooooooo, hoooooooo, hoooooooo, hooooo  
And she's buying the stairway to heaven

There's a sign on the wall, but she wants to be sure  
Cuz' you know sometimes words have two meanings  
In a tree by the brook, there's a songbird who sings  
Sometimes all of our thoughts are misgiven

Ooooooooooooooooo, it makes me wonder  
Ooooooooooooooooo, it makes me wonder

There's a feeling I get, when I look to the west  
And my spirit is crying for leaving  
In my thoughts I have seen, rings of smoke through the  
trees  
And the voices of those who stand looking  
Ooooooooooooooooo, it makes me wonder  
Ooooooooooooooooo, really makes me wonder

And it's whispered that soon, if we all call the tune  
Then the piper will lead us to reason  
And a new day will dawn for those who stand long  
And the forests will echo with laughter

Ohwowowowowo  
If there's a bustle in your hedgerow, don't be alarmed  
now  
It's just a spring clean for the may-queen  
Yes there are two paths you can go by, but in the long  
run  
There's still time to change the road your on  
And it makes me wonder

Ohhhhhhhhhohohoho  
Your head is humming and it won't go, in case you  
don't know

The piper is calling you to join him  
Dear lady can you hear the wind blow, and did you  
know  
Your stairway lies on the whispering wind

And as we wind on down the road, our shadows taller  
than our soul  
There walks a lady we all know  
Who shines white light and wants to show, how  
everything still turns to gold  
And if you listen very hard, the tune will come to you at  
last  
When one are all and all is one  
To be a rock and not to roll  
And she's buying the stairway  
To heaven
