Is it that we been together much too long?
The answer may not be in black and white
We're always trying to prove who's right or wrong
And now we're giving up without a fight

But I know when your gone I'll wish I'd held on
So baby surrender to me
(Surrender)
There'll be no holding back now
So baby surrender to me tonight
(Tonight)

I don't want to love, it causes so much pain
If this is how it's gonna be I'll walk away baby
No neither one of us should ever say goodbye
Let's forget about the past and whose to blame

'Cause when this is all gone we'll wish we'd held on
So baby surrender to me
(Surrender)
There'll be no holding back now
So baby surrender to me tonight
(Tonight)

How could this love be in danger?
It used to be so good, so right
To think they could make us strangers
So lonely in your arms tonight
Whoa oh yea, yea, who!

Whoa, whoa, now, now, now

So baby surrender to me
(Surrender)
There'll be no holding back now, no
So baby surrender to me tonight
(Tonight)

Surrender baby
Surrender
Surrender
