(H. Knight/A. Hammond)

I'm so tired of these men trying to impress me with  
nothing  
The same old routine and the smooth fancy talking  
Now I know and believe that I found it for real  
Cause' you're good and your kind  
And you care how I feel  
I had a tall dark handsome stranger  
I've had the devil in disguise  
I've been attracted to the danger  
But I was never satisfied  
And I know what I like and I like what I see in your eyes  
Oh ooh you're so beautiful  
I've been pushed I've been pulled I've been put out and  
trod on  
Just by takin' my chances  
I finally caught on  
When I see in your eyes all the love shining through  
I'm glad I held out for somebody like you  
I had a tall dark handsome stranger  
I've had the devil in disguise  
I've been attracted to the danger  
But I was never satisfied  
And I know what I like, and I like what I see in your eyes

Heaven must have sent you I know  
You're so good to me, I feel good with you  
I'd be such a fool to let go  
There's something about you I can't live without you  
I've had fast talking good looking men at my door  
Now I'm a wiser woman  
Than I was before  
I had a tall dark handsome stranger  
I've had the devil in disguise  
I've been attracted to the danger  
But I was never never never satisfied  
And I know what I like, and I like what I see in your eyes  
baby  
I had a tall dark handsome stranger  
I've had the devil in disguise  
I've been attracted by the danger  
But I was never never never satisfied

And I know what I like, and I like what I see in your eyes  
Oh yeah  
Yes yes yeah  
I've had a tall dark handsome man yeah  
Ooh  
Yeah  
Ooh ooh ooh
