Dancing close, feeling restless  
It's a slow, sultry night  
It'll take a lifetime till sunrise  
If you won't stay with me tonight

Feel your breath caress my shoulder  
As your heart reads my mind  
You don't have to tell me anything  
I can see everything in your eyes

It's so easy with you  
I don't need an excuse  
To be the woman in me  
It's so hard to believe that I'm feeling so free  
To be the woman in me  
Baby, there's so much no man has ever touched  
Of the woman in me

I might be trembling but I'm not scared  
Just my desire breaking free  
I've never had a chance like this before  
To unlock all the doors  
To be the woman in me

It's so easy with you  
I don't need an excuse  
To be the woman in me  
It's so hard to believe that I'm feeling so free  
To be the woman in me  
Baby, there's so much no man has ever touched  
Of the woman in me

Like the dark side of the full moon  
I've never shown what I'm showing you  
It's so easy with you I don't need an excuse  
To be the woman in me  
It's so hard to believe that I'm feeling so free  
To be the woman in me

It's so easy with you  
I don't need an excuse  
To be the woman in me

It's so hard to believe that I'm feeling so free  
To be the woman in me
