You're not sure what you want to do with your life  
But you sure don't want me in it  
Yeah, you're sure the life you're living with me  
Can't go on one single minute  
And there's a new one waiting outside this door  
And now's it's time to begin it

You found a new world  
And you want to taste it  
But that world can turn cold  
And you better face it

Who will you run to when it all falls down?  
Who's gonna pick your world up off from the ground?  
Who's gonna take away the tears you cry?  
Who's gonna love you, baby, as good as I?

You don't know what it's like to live on your own  
You've always had me there beside you  
You think it's easy finding someone out there  
Who's gonna care as much as I do?  
What's gonna happen, baby, when you find out  
There's no one there to cry to?

You can tell the whole world  
How you're gonna make it  
You can follow your heart  
What you do when someone breaks it

Who will you run to when it all falls down?  
Who's gonna pick your world up off from the ground?  
Who's gonna take away the tears you cry?  
Who's gonna love you, baby, as good as I?

You found a new world  
And you want to taste it  
But that world can turn cold  
And you better face it

Who will you run to when it all falls down?  
Who's gonna pick your world up off from the ground?  
Who's gonna take away the tears you cry?

Who's gonna love you, baby, as good as I?

Who will you run to when it all falls down?

Who's gonna pick your world up off from the ground?

Who's gonna take away the tears you cry?

Who's gonna love you, baby, as good as I?
