"Woman in Me"

Dancing close feeling restless
It's a slow and sultry night
It'll take a lifetime till sunrise if you won't stay with me
tonight
Feel your breath caress my shoulder as your heart
reads my mind
You don't have to tell me anything
I can see everything in your eyes
It's so easy with you
I don't need an excuse to be the woman in me
It's so hard to believe that I'm feeling so free to be the
woman in me
Baby there's so much no man has ever touched of the
woman in me

I might be trembling but I'm not scared

Just my desire breaking free
I've never had a chance like this before to unlock all the
doors to be the woman in me
It's so hard to believe that I'm feeling so free to be the
woman in me
Baby there's so much no man has even touched of the
woman in me

Like the dark side of the full moon
I've never shown what I'm showing to you
It's so easy with you I don't need an excuse to be the
woman in me
It's so hard to believe that I'm feeling so free to be the
woman in me
It's so easy with you. I don't need an excuse to be the
woman in me
It's so hard to believe that I'm felling so free to be the
woman in me
