I'll hide, you won't notice
Just bury me, just bury me
Alive with your
Screams
I believe when love is given clarity.

Sing aloud, I will listen
Sing aloud, I will listen
Sing aloud, I will answer.

Save me now
The storm
Is almost over
Your eyes are clear somehow
I'm hoping for the
Moment.

Fueled by
Flames of hypocrisy
Faith brings
Hope to the blind!
Fueled by
Flames of hypocrisy
Faith brings
Hope to the blind!

Here I am
Take my hand
Bury me
I'm just a man... ?
Sing aloud
I will listen.

Save
Me now
The storm is almost over
Your eyes are clear somehow
I'm hoping for
The moment.

I'll hide (I'll hide), you won't notice (you won't notice)
Just

Bury me, just bury me
Alive with your screams
I believe when love is given
Clarity.
