Bro down, man up  
You know that I'm packing  
Got this huge-ass truck  
No fear  
Boobs and beer  
My three favorite things words: faggot, gay, queer  
Fuck yeah, domestic abuse  
Fuck yeah, jungle juice  
Fuck yeah, doing keg stands  
Fuck yeah, nu-metal bands  
Fuck yeah, creatine powder  
Fuck yeah, power hours  
Fuck yeah, tribal tats  
Fuck yeah, being in a frat  
Fuck yeah, frosted tips  
Fuck yeah, being small-dicked  
I'm going to the bars tonight  
I'm gonna pick a fight  
Feeding girls roofie cocktails  
Show that bitch who's the alpha male  
I got my beer goggles on  
I could go all night long
