I beleive that we're gonna be together  
I beleive in you and me

Your the kind of girl that I must confess  
The kind of girl that I like the best  
Girl you got me hypnotized  
I feel it everytime I look in your eyes  
The kind of girl you take anywhere  
Anytime, I don't care  
If you'll be for me, then I'll be for you girl

I believe that we are gonna be together  
I beleive in you and me girl  
I believe that loves gonna last forever  
I beleive in you and me

She's the kind of girl that catch your  
The kind of girl that you won't let by  
And everytime that you take a stand  
Hey girl I wanna be your man  
The kind of girl that will say hello  
She is the girl that you can't let go  
If you'll be for me, then I'll be for you girl

I believe that we are gonna be together  
I beleive in you and me girl  
I believe that loves gonna last forever  
I beleive in you and me

It happened one daya and I didn't know what to saya
