Nice to be here once again
feelin' your fear my lonely friend
your insecurity so clear and pure
is what makes me dead sure
good to see you after all these years
years of sweat, mourning and tears
bet my life we proved you wrong
'cuz we're still fuckin' going strong

you know you ain't shit to me
and we're defendin' our crown
that's the hour of victory

and you're just a bunch of clowns

you see we're back believe your eyes
that's the moment your hope dies
good to see you after all these years
years of sweat, mourning and tears
we hate you all we hate you true
and we know we are hated too

the hour
the hour of victory
the hour of victory
the hour
