Well I never should have turned my head
To see some other lovely thing
Walkin' pretty down the street
Cause just about the time my girl realized
She caught my eyes and busted me
Now I'm back out in this bed
I made face down in the dirt
Beggin to get my baby back
You think I would have learned butt

Chorus:

It's just another day in the doghouse
I better change my way and my wonderin eyes
It's just another day in the doghouse
Thinkin this is probably where this dog is gonna die,
yeah

Well I stumble in at 3 a.m.
Baby I've been out with friends
At least that's what I remember
Then the truth came to both of us
When she found the number crumpled up
In the pocket of my t-shirt
Now I'm back out in the yard
And I'm sad and all alone
If you find forgiveness in your heart
Just throw this boy a bone cause

Chorus:

It's just another day in the doghouse
I better change my way and my wonderin eyes
It's just another day in the doghouse
Thinkin this is probably where this dog is gonna die,
yeah

Now I'm back out in the yard
Face down in the dirt
Beggin to get my baby back
You think I would have learned butt

Chorus:

It's just another day in the doghouse
I better change my way and my wonderin eyes
It's just another day in the doghouse
Thinkin this is probably where this dog is gonna die,
yeah

It's just another day, another day in the doghouse
(it's just another day in the dog house)
It's just another day, another day in the doghouse
Oh it's just another day
Another day
