She's 17 but she thinks she's almost grown
Saturday night and she don't wanna sit at home
She tells her mom she's gonna stay with her friends
Her mama don't know shes going dancing again

Chorus:

She's gonna shake what the good Lord gave her
Shake what the good Lord gave her
Wanna see her shake what the good Lord gave her
Watch her shake

17 but she looks all of 23
and you better believe the boys like what they see
She don't pay the boys no mind
She wants to dance and have a good time

Chorus:

She's gonna shake what the good Lord gave her
Shake what the good Lord gave her
Wanna see her shake what the good Lord gave her
Watch her shake

In her mind she ain't doin' nothin' wrong
She's gonna dance when the play her favorite song
She can't wait til next weekend
So she can go out dancin' again

Chorus:

She's gonna shake what the good Lord gave her
Shake what the good Lord gave her
Loved to see her shake what the good Lord gave her
Watch her shake
Yeah watch her shake
Lord, watch her shake
