(Verse 1)

Well I'm standing here waiting,
Just like I always am.
Won't be tomorrow,
'Cause it's now or never.
So there's no use in saying,
That you still need more time.
'Cause I'm not even playing.
This is my last goodbye.

(Chorus)

Why don't you take one last breath,
And say those words I've waited for.
Please don't you go,
And leave me here all alone.
I don't wanna let you go.
I can't live without,
Knowing your by my side.
You make me feel alive.

(Verse 2)

Well I'm standing and staring,
And I wonder why I try.
'Cause it's this hesitation,
That speaks forever.
There's no risk in taking,
This step if this is love.
If it's not worth you taking,
This is my last goodbye.

(Chorus)

Why don't you take one last breath,
And say those words I've waited for.
Please don't you go,
And leave me here all alone.
I don't wanna let you go.
I can't live without,
Knowing your by my side.
You make me feel alive.

So why don't you take one last breath,

And say those words I waited for.
So why don't you take one last breath,
And say those words I waited for
Please don't you go,
And leave me here all alone.
I don't wanna let you go.
I can't live without,
Knowing your by my side.
You make me feel alive.
