So let it go...
Give it away!

I used to think that
It used to be about me
I used to think
I was gonna be the next big thing
And then I realized it was just a big nightmare
No-one cares about the plans I made
And I was doing this for all the wrong reasons
And then I realized

So let it go...
Give it away!
So let it go...
Give it away!

Well now I know why-why I do this
I won't let you down, I won't stop
Until I die, start a fire in these hearts
Let 'em know what it feels like to be apart
To be in love one for a night alone
Held tight in strong arms with secret warmth
You asked, and I said that I would go
So I need to...

Let it go...
Give it away!
Let it go...
Give it away!

Well I'll give up my dreams
I'll give up everything
And I lay this down at your feet
And I'll follow you!

Let it go...
Give it away!
Let it go...
Give it away!
Let it go...
Give it away!
