"Never Say Goodbye"

How do you say goodbye to something you could lose
that means anything and everything to you?
I used to pass you by like i did when i was nine
but now anything and everything could die

Dont give up
Dont let go
because deep inside youll always be so beautiful you
know

Dont give up
Dont let go
because deep inside youll always be so beautiful you
know

your heart beats true inside your chest
i hold you close i kiss your head to let you know just
how strong i think you are by holding on
seasons come and seasons change but your love still
remains the same
no matter what youll always be and angel that god sent
to me

Dont give up
Dont let go
because deep inside youl always be so beautiful you
know

Dont say goodbye
Dont let go

Dont give up
Dont let go
Dont give up
Dont let go
Youre beautiful you know
