We leave this land
To seek the islands for treasure
We leave this land never coming home

In defiance of privation
To crew is zest for action
Yearning for the adventure
Is Stronger than the jeopardy

Storm whips in our sails
Fear rises in my face
Planks groan a ghastly tone
Ours break by mighty waves

Northstar guide our way to the
Home of endless valour
Guide us through the ruins of war
We will sail forevermore

Northstar guide our way to the
Land of precious glory
Souls were meant to be
To trim the sails and roam the sea

Viel haben wir schon erlebt doch von
Einem Lohnt es sich zu erz?halen
An den Klippen am fremden Land fuhren
Wir entlang, wurden ?berrascht
Der Leviathan aus den Tiefen kam
Er spuckte Gift und Galle
Gottes hand verschloss den Weg
Wir sassen in der Falle
