[Verse 1:]

I tried so many times but nothing happened,
It seemed the task at hand was much too great for me.
I spent my yesterdays wondering if tomorrow would be
the same.
I underestimated Your grace.
But you loved me in spite of my ways
And changed me.

[Chorus:]

Change
That's the word that comes to mind when I think of all
you've done for me.
Oh, oh, change
It's kinda' strange how people say that I act so
differently
Oh, oh change
Every passing day I find it easier to say...
"What a wonderful change in me."

[Verse 2:]

Now I find myself staring in the mirror
Taking inventory of the things I see.
I never realized that there was so much missing deep
inside
Until you took control of my life.
Like an eagle now I can fly
Cause you changed me.

Change

That's the word that comes to mind when I think of all
you've done for me.
Oh, oh, change
It's kinda' strange how people say that I act so
differently
Oh, oh change
Every passing day I find it easier to say...
"What a wonderful change in me."

[Bridge:]

And everyday I pray that you'll open my eyes to see

things your way
Cause I wanna love like you,
Walk like you,
Live like you.
Whatever you have to do
Even if you change me Lord.

[Chorus:]

Change

That's the word that comes to mind when I think of all
you've done for me.

Oh, oh, change

It's kinda' strange how people say that I act so
differently

Oh, oh change

Every passing day I find it easier to say...

"What a wonderful change in me."
