We have been waiting, for so very long  
During that time, their army's grown strong  
Even with you, by our side  
Thoughts of defeat I cannot deny

When you ran away, on that terrible day  
Many did say, coward running away from them  
You should have stayed, OUR PEOPLE THEY PRAYED!  
Now as Unearther for them, you must repay!

You knew at that time, we just could not win  
Though brave our forces, were stretched way too thin  
To win a war, battles are sometimes lost  
You gave up yourself to lessen the cost  
A pact with the gods, you traded your soul  
And your mortal life, they demanded for toll  
They granted you, to be more than a man  
Now unearther unveil your plan

You never ran away, on that strangest of days  
You never failed, and now it's time to prevail for them  
Sharpen your blade, OUR PEOPLE STILL PRAY  
Now as Unearther for them, you must repay!

Show them the Way!  
Sharpen The Blade!  
UNEARTHER  
Free them this day!  
Free us this day!
