Doo doo doo doo doo
Doo doo doo doo doo
Oh, my, where do, how do I begin
To answer the question I know you been wonderin
Playin cool, I, cool, how could it all be true
These things, whos that and what's it to you
He is the mind objector, the heart protector
The soul defender of anything I fear
The baby conceiver, the make me believer
The joy bringer, the love giver
He is the dough increaser, the pleasure releaser
The hard knocks knower without the scars to show ya
The night school teacher, the good life preacher
The caretaker, the kiss craver
He is
All these words are only frostin on my cake
Feelings explain, don't do justice to how I feel
So alive, so in love for the first time
No way can I hide who am I
He is the mind objector, the heart protector
The soul defender of anything I fear
The baby conceiver, the make me believer

The joy bringer, the love giver
He is the dough increaser, the pleasure releaser
The hard knocks knower without the scars to show ya
The night school teacher, the good life preacher
The caretaker, the kiss craver
{He is} So {He is}, so {He is}
Everything, everything I want and I want it
{He is} So {He is}, so {He is}
And so much more than I thought it could be
{So right} So right {So right} girls, I
I gotta be the same for him {I gotta be the same for
him}
For my baby
Oh...oh...yes, he is, oh, oh
I know exactly what he is
{He is, he is, he is}
My joy bringer
{He is, he is, he is}
He is the soul injector, the heart protector

The soul defender of anything I fear
The baby conceiver, the make me believer
The joy bringer, the love giver -a
