[Chorus Two: Aceyalone]

Push, back, push, back

Push, back, push, back

[Aceyalone]

Big girl, bigger than the world

Push back a mountain, sweeter than a pearl

Skinny gal, got the knowhow

She push it back so hard that all you do is say WOWWWW

Tall chick, push back a brick wall

Short mama push it back even when she this tall

Bottoms up and I ain't talkin 'bout Cristal

Girl tried to push me back, a like this y'all

[Chorus One]

[Aceyalone]

This time, you both get in line

Girl reach for the ground like you just dropped a dime

Now whine, push back and grind

Pay me no never mind, I got you from behind

Hike the bar, I do the quarterback sneak

Bend your body like you're climbin out the back seat

Stretch out girl, train like a athlete

Push back push back, to the back beat
