[Aceyalone]

Aceyalone, Aceyalone  
Let the world know

[Chorus]

I'm tight, I'm raw  
I'm the baddest motherfucker that I ever saw  
I'm cold winter flow like snow iceberg  
with the word, nigga that's not all  
I'm live, and I serve  
I'm the dopest motherfucker that I ever heard  
I'm too to the max got facts and I know the haps  
But I'm so disturbed

[Aceyalone]

If it wasn't for this hip-hop holdin me down  
I'd probably be found runnin 'round the town like a  
maniac  
Aimin at you niggaz but I'm glad it never came to that  
Grimey y'all 'til they climbin up the wall  
Outlaw, pullin at the brick of insanity y'all  
I won't call, cue on one on two  
I'm on you like a cheap suit  
To the ground like a deep root, I need my medication  
I feel sick, I still get chills  
My thoughts moves a hundred miles an hour with  
nobody at the wheel  
And that's for real  
I'll probably make a miracle before I make a mill'

[Chorus]

[Aceyalone]

You want to hold me, but I won't let you  
I'll bet you the world that you can't defeat me  
It's easier said than done, please believe me  
And that part's easy, but here's where it gets  
A little more complicate whenever we spit  
The torch get lit, full force hit  
You're fallin off your high horse into horseshit  
Hear the cries, fire in the skies  
Pyrotechnics, windows have eyes

What a pleasant surprise, everybody dies  
The killer got a wig, yeah he covered up he lies  
He's so fly, but he's insane

[Chorus] - 2X
